GSG (German Sport Guns) founded in 2002 by Dietmar Emde, Manfred Nienhaus and Michael Swoboda, became within a short period of only a few years one of the leading manufacturer of firearms in the Caliber .22lr.

With all the different versions of the tactical GSG-522 and with one of the world most recognizable brand Kalashnikov, GSG offers a complete line of military style firearms. With the GSG-1911 German Sport Guns offers to the market one of the finest 1911 pistol in Cal. .22lr.

The new GSG 110 round Drum Mag is a **MUST** for all GSG firearms shooters.

Gun enthusiasts use GSG Firearms for target shooting, just for fun, for plinking, for small game hunting or for practical shooting like IPSC Shooting.

A company Slogan? GSG makes it simple! Products by Specialists, Satisfied Customers all around the World, for this slogan GSG stands for!
